

Single Stage — Gasoline

Designed for maximum efficiency, contractors love the portability of this wheelbarrow style 8-gallon air compressor. It provides essential air power for nailers, air hammers and impact wrenches on construction sites.

Compressor Pump:

Splash lubricated | Stainless-steel braided discharge hose | Large canister intake filter | Oil level sight indicator

Frame:

Powder coated twin tank receivers | $\frac{3}{16}$ -inch base plate to reduce vibration | 16-gauge powder coated two-piece belt guard | 10-inch flat-free tire

Components:

Regulator and two gauges for tank and outlet pressure | Manual drain valves for proper maintenance | 12-inch fly wheel | Quality pilot valve unloader
